

## **Our Pledge**

Our pledge is to ensure there are high quality, low carbon affordable homes with great services in rural areas.

We will:

- Work closely with local communities and Parish Councils to find the best solution to meet identified housing needs
- Ensure that homes are occupied by people who have a local connection or contribute to the sustainability and inclusivity of the village and rural area
- Ensure that affordable homes always remain affordable
- Build sensitively designed, high quality homes which contribute to the beauty of an area
- Build to high environmental standards which help residents and communities reduce their carbon impact and be more sustainable and resilient
- Provide locally sensitive, high quality services to our residents and their communities
- Always listen and respond positively to our customers and the local community

Delivering our Pledge will create and maintain positive local rural communities as real Places to live and thrive in.
